Joseph Schumpeter och metafysiken

Har kreativitet och innovation
blivit fetisher?

“Whenever you find yourself on
the side of the majority,
it is time to pause and reflect.”

Mark Twain

“Everything popular is wrong.”

Oscar Wilde

Kreativitet och innovation
har blivit meta-brands,
sätt att diskutera
så gott som allt.

Vad är kreativitet idag?
Kanske vi skall leta i det **icke** kreativa?
